CALBAYOGNON INI AWARD

Last September 14, 2014, Mother Adele received a prestigious award from the DOERS Club of Calbayog, her hometown. The Calbayognon ini award is given to Calbayognons currently practicing their professions or vocations for the exemplary performance and significant contributions, particularly but not exclusively in the field of law, medicine, education, arts, sports, public and community service. Criteria for the award are professional excellence and integrity; service to fellow Calbayognons and to the nation and leadership and moral fiber.

The awarding ceremony was held at the Manila Hotel with more than 500 attendees. They were in their full Filipiniana attire. The event was really in a festive mood because this is in honor of their Town Patron, the Nativity of our Lady. Songs and dances followed the awarding. CONGRATULATIONS MOTHER ADELE!
